

KATERINA WANG

Authorized to work for any employer with no restrictions

EDUCATION	B.S. in Computer Science, Emphasis in Game GPA 4.0 <i>University of Utah, Kahlert School of Computing</i>	Anticipated May 2027
	• Honors: Dean's List, University of Utah	
TECHNICAL SKILLS	Languages: C/C++, C#, Python, Java, JavaScript Systems & Tools: Linux, Docker, AWS, MySQL, GitHub Other: WordPress, Perforce, LaTeX, Agile Coursework: Data Structures & Algorithms, Computer Systems, Web Development, Probability & Statistics	
PROJECTS	Custom Memory Allocator (malloc) C, Linux <i>CS 4400 Computer Systems</i>	April 2026
	• Built a dynamic memory allocator in C to improve heap utilization and performance. • Implemented segregated free lists with splitting and coalescing. • Balanced tradeoffs between throughput, memory use, and fragmentation.	
	Full Stack Web Application Django <i>CS 3550 Website Software Development</i>	Aug 2025 – Dec 2025
	• Built a Django recipe app with authentication and public/private content. • Designed data models with permissions, validation, and protected media. • Deployed with domain aliasing and JSON-based search API.	
EXPERIENCE	Computer Science and Math Tutor <i>STEM Learning Center, Salt Lake Community College</i>	Jan 2026 – Present
	• Taught CS concepts using active learning strategies. • Tutored College Algebra and Calculus I–II. • Strengthened subject knowledge and communication through teaching.	
	Teaching Assistant CS3500 - Software Practice I <i>University of Utah, Kahlert School of Computing</i>	Aug 2025 – Present
	• Evaluated 20+ weekly submissions with feedback on code quality and design. • Led labs and assisted with debugging during office hours and on Piazza. • Provided consistent, rubric-based grading with minimal regrades.
